

## ***A Community Non-profit Since 2000 Mission Driven ~ Donor Supported***

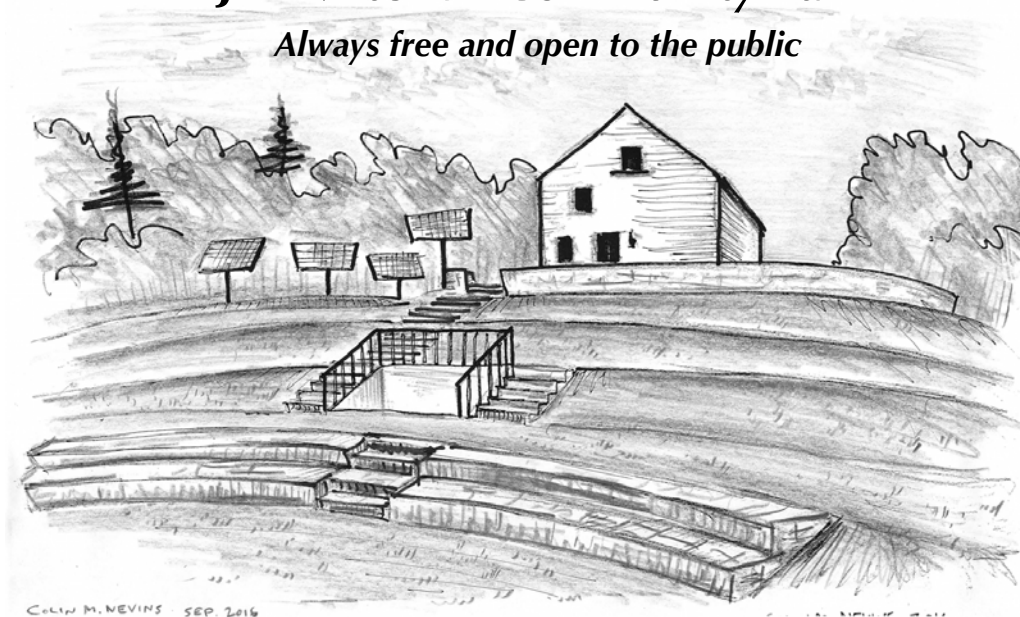

2016 has been another very successful year for MainStreet Warner, Inc. The Board of Directors wishes to thank all who participated in and enjoyed this year's events: **concerts** in the park, **farmers markets**, **auctions**, **used book sales**, **scholarships** to college-bound Warner seniors, and **Literacy Day** at Simonds, with every student this year working with and receiving books from author David Elliott.

**After two full years of events we have listened to your suggestions.**

**We now must make necessary improvements for future years.**

## ***The MainStreet Warner Stage and Amphitheater in the Jim Mitchell Community Park***

***Always free and open to the public***

- **Improve** accessibility and safety for all ages and physical abilities by adding a central walkway with **permanent granite steps**, to include railings and surface lighting
- **Construct** an additional **smaller performance area** in front of the stage
- **Include** a permanent **sound and light station**
- **Develop** an "**edible landscape**" with raised vegetable beds, medicinal herbs, berries and fruit trees and a community earthen oven
- **Demonstrate** "green" park **sustainability** with composting, solar, rain-water irrigation and educational interactive kiosks
- **Work** with schools and community groups to continue to **revitalize the community**, to **support the traditional arts** and further the **education** about ecologically resilient lifestyles
